Lentil Bolognese

Ingredients

For 4

- 250g spaghetti
- 1 can lentils
- 2 king oyster mushrooms
- 1 red pepper
- 1 zucchini
- 4 large garlic cloves
-
- 1 tsp miso paste
- 1 tsp tomato paste
- Pinch of dried oregano
- Ground black pepper
- Salt
- Olive oil
- 80g Formaggio (cheese)

Directions

Heat Water for the Pasta

Chop the Vegetables

Deseed the pepper and dice into small pieces. Chop the mushrooms and zucchini into 1cm cubes.

Brown the Mushrooms

Heat a little oil in a pan on high heat. Add the mushrooms and leave them — no stirring! They need time without water to turn golden and delicious.

Add the Rest

Once the mushrooms are browning, add the zucchini and pepper. Stir and cook until softened. Peel and grate the garlic straight into the pan.

Build the Sauce

Add the tomato paste and miso paste. Stir and cook for 2–3 minutes until the pastes smell toasty. Add the lentils, oregano, and enough water to just cover. Simmer for 10 minutes.

Cook the Pasta

Boil water, add a big pinch of salt, and cook the pasta according to the packet. Clear up while you wait!

Serve

Drain the pasta and mix with the sauce. Top with Formaggio and a crack of black pepper.
